

**You deserve a fair voting system  
where your vote counts and your  
voice is heard.**

Tell Liberal MPs to keep their promise and vote YES to electoral reform.

Two-thirds of Canadians voted for electoral reform in the last election. But Justin Trudeau broke his promise and told Canadians, “It was my decision to make.” We disagree. We believe it’s up to you.

**There’s one last chance to make every vote count in 2019.**

In May, Parliament will hold a vote that could make a fair, proportional voting system a reality for our next election. Tell Liberal MPs: “Keep your promise” and vote YES to electoral reform.

**YES, I want the Liberals to keep their promise on electoral reform.**
